

TENUTA GIARDINI NUOVI

OUR COMMITMENT DURING COVID-19 TIME

Tenuta Giardini Nuovi is working daily on safety standards and protocols in line with hygiene and cleaning directives that guarantee the highest safety standards to our guests and people working with us.

These are the measures we are implementing:

Training: all our staff is trained following the WHO directives so that they can safely perform the assigned tasks.

Personal safety: the staff accesses the structure from an entrance controlled by a thermoscanner for temperature detection.

Safety devices: such as masks, gloves and sanitizing gel are available to the contact staff. Sanitizing gel dispenser: are available to customers in the common areas of the structure and in the rooms.

Rooms: intensification of cleaning and sanitation procedures.

Air conditioning: timely and frequent sanitization of the filters of the air conditioners in common areas and bedrooms.

Swimming pool: to guarantee social distancing even in water, there can be a maximum of 20 people in the pool at the same time.

We guarantee respect for social distance:

The structure of the Tenuta: the property has the advantage of being spread out on a wide area which has always guaranteed guests maximum privacy and where it is easy to maintain distance.

Common spaces: we guarantee the social distancing of the solarium area and in the equipped areas of the garden. In these areas each room is furnished with tables, chairs and sofas that are sanitized at each check-out.

Restoration: the breakfast service is suspended for this season.
